

Training on the drafted national education standard was provided to 150 heads of units of the Central region education branch, heads of education of sub zones, supervisors and directors on 29 and 30 August.

Asmara, 31 August 2019 –Training on the drafted national education standard was provided to 150 heads of units of the Central region education branch, heads of education of sub zones, supervisors and directors on 29 and 30 August.

According to the trainers from the Comprehensive Education Department, the objective of the training was to raise the understanding of staff members and enrich the drafted national education standard.

Speaking to Erina, the head of Research, Planning and Training Unit at the Ministry of Education branch in the Central region Mr. Mateos Sebhatleab stated that the national education standard will be implemented as a pilot project in 96 schools nationwide of which 16 of them are in Central region. Accordingly, Mr. Mateos indicated that similar trainings will be organized for the teachers of the 96 schools,

Participants on their part indicating the significance of the training on ensuring quality education called for the organization of similar trainings at higher levels.
